EUROPEAN INDOOR ATHLETICS CHAMPIONSHIPS

NATIONAL INDOOR ARENA
BIRMINGHAM
28th - 2nd March 1997

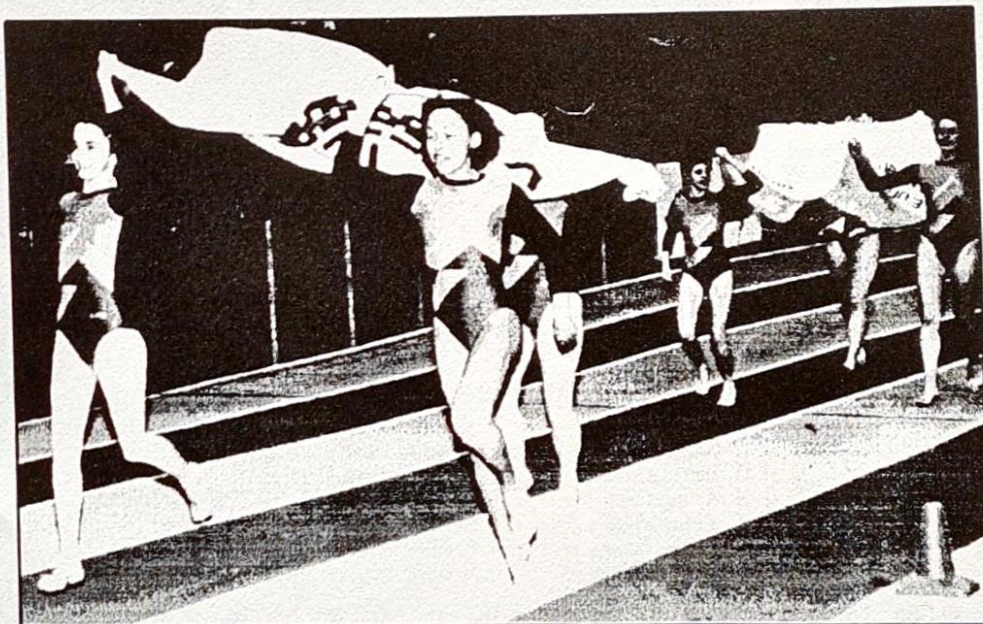

SIMPLY THE BEST!!

The first ever European Veterans Indoor Athletics Championships held at the National Indoor Arena, Birmingham, February 28th - March 2nd were an outstanding success. It has been my pleasure to lead a hard working dedicated team of volunteers and helpers who have worked tirelessly to make the championships memorable for all.

There is no doubt that new friendships have been made and competitors have enjoyed top class competition. Already there is talk of the next championships. I hope when you read these results you will remember Birmingham 1997, and on behalf of all the officials/helpers we wish you success in your sport and you will remember the theme music used throughout the championships :-

"Simply the best"

Ron Bell
Executive Director
EVIC 97

The opening ceremony.

NOTE

European (er) and World Records (wr).

There are some inconsistencies between the world records and the European records, where some European records are shown as better than the world record. This may be due to performances awaiting ratification, or awaiting confirmation.

In cases where an apparent world record in these championships has not, however, bettered the European record, the world record is shown as "?wr".
