Message from The Worshipful, The Mayor of Gateshead

It was a great pleasure as Mayor of Gateshead, on behalf of Gateshead Council to welcome 6,000 athletes from 74 countries to Gateshead for the 1999 XIII World Veterans Athletics Championships.

The XIII World Veterans Athletics Championships was a unique occasion for both Gateshead and the UK. Gateshead having never previously staged an athletics event of this magnitude and duration, whilst it being the first time these Championships have been held in the UK.

The feedback we have received from the athletes, spectators, officials and the many volunteers who helped stage the event has been highly complimentary. I trust you had a very enjoyable time at the Championships and hope you returned home safely with many memorable experiences and many new friends.

For Gateshead, which has a proud history of staging prestigious sporting events, the XIII World Veterans Championships brought together: 10 days of superb competition with countless inspiring performances and over 60 new records set; the opportunity for athletes to meet and re-meet from throughout the world; great camaraderie and sunny weather!

I would like to wish you every success in the 2001 World Veterans Athletics Championships in Brisbane. I also hope that one day you will return to Gateshead and the North East of England where a warm welcome awaits you.
