**Omega vit avec le sport.
Chaque centième de seconde.**

Véritable mémoire de poignet toujours active, l'Omega Sensor Quartz est un aboutissement des techniques actuelles les plus raffinées en matière de traitement des données.

Equipée d'un microprocesseur, elle offre neuf programmes utilisables simultanément et commandés par un «sensor». Le programme chronographe permet toutes les mesures, au $\frac{1}{100}$ de seconde et jusqu'à 24 heures (fonctions totalizer, split, lap et one-two-stop).

LE SALUT DU PRESIDENT - DIE GRUSSE DES ORGANISATIONS KOMITTEE - THE PRESIDENT'S GREETINGS

La page est déjà tournée, les pensées vont encore aux résultats, et déjà il s'agit d'envier les prochains rendez-vous - PUERTO RICO pour le MONDIAL en 1983 - l'ANGLETERRE pour l'EUROPEEN en 1984 -.

Sachez que nous sommes heureux et fiers de vous avoir reçus dans notre belle ville de l'Est de la France, sachez aussi que nous avons fait de notre mieux pour vous donner satisfaction - n'oubliez pas que nous étions organisés pour 1600 participants, et vous étiez plus de 2700 !! Si nos quelques problèmes d'organisation sont passés inaperçus très souvent, si l'organisation technique a été impeccable, notre grand regret restera l'annulation - programme d'épreuves trop chargé - de la cérémonie d'ouverture, avec orchestre et danses folkloriques. Notre consolation est la brillante réussite de la soirée de clôture - Vous étiez plus de 500 à cette soirée d'adieu, et c'est avec nostalgie, mais heureux, que nous nous sommes quittés.

Merçi à tous et à bientôt

=====

Das EV-Treffen ist vorbei, was übrig bleibt sind die Ergebnisse, und schon ist es zeit an die nächsten Treffen zu denken - 1983 in PUERTO RICO für die Weltspiele - 1984 in ENGLAND für die EUROPASPIELE -

Wir teilen Ihnen mit das wir glücklich un stolz darauf sind, Sie in unseren schönen Ost-französischen Stadt empfangen zu haben ; und dass wir unser bestes getan haben um Ihnen behilflich zu sein, wir hatten ja schliesslich nur 1600 Wettkämpfer erwartet un keine 2700 !! Auch wenn einige Organisations-probleme unbemerkt blieben und die Technische Organisation perfekt war, war es jedoch bedauernstwert das die Eröffnungszeremonie mit Orchester und Folklor tänzen nicht statt finden könnten (zu viele Wettbewerbe am ersten Tag). Zur Tröshung hat aber der Erfolg der Abschlussfeier gesorgt : mehr als 500 Teihnehmer die sich mit schweren Herzen getrennt haben.

Herzlichen Dank und hoffend auf ein baldiges Wiedersehen.

=====

The Games are already past, only the results remain in mind and it is time to think of at the next meetings : 1983 PUERTO RICO - 1984 for the EUROPEAN Games in GREAT BRITAIN -

We would like to have you know that we felt happy and prond about your coming in our nice city in the east of France. We have also done our best to give you satisfaction, do not forget that we expected 1600 participants and that you were finaly 2700 !! Even if there were unnoticiable organisation problems and if the technical organisation was impecable, the fact that we had to supress the opening ceremony, with orchestra and folk dances remains one of our biggest regrets. But were comforted by the great nicess of the farewell-party - you were over 500 to attend to this party and we leawed each other happy but with a bit nostalgia.

Thank you very much and see you again soon.

Chers amis sportifs de tous pays,

Le présent recueil n'a pas la prétention d'être parfait et vous voudrez bien pardonner les petites imperfections techniques de la mise en page.

Nous avons essayé de vous donner la liste de résultats la plus complète possible à laquelle nous joignons un état comparatif des meilleures performances réalisées lors des 3 JEUX EUROPEENS de Viareggio, Helsinki et Strasbourg.

Il nous reste à vous remercier tous et toutes pour le magnifique esprit sportif dont vous avez fait preuve tout au long de ce grand rendez-vous d'amitié sportive internationale de même que toutes les personnes et organismes qui nous ont apporté leur aide et leur soutien.

C'était une belle et grande fête de l'athlétisme !

Sportivement Vôtre,

André Findeli

Dear sporting friends,

Please find enclosed the results digest from the 3rd European Veteran Games 1982. We realize that the form of the presentation may not be perfect but we hope that you will excuse us if you find any slight imperfections in the lay-out.

We have tried to give you the most complete list of results of which are joined a comparative table with the winners and so records at meets in Viareggio, Helsinki and Strasbourg.

We thank you once again for the "esprit sportif" which you displayed throughout this recent meeting of international sporting friendship and we sincerely appreciate the efforts of those who have given us their assistance and support.

It was a beautiful and grand athletic festival!

Yours sincerely

André Findeli

NOTICE : The results presented in this report are interpreted by taking into account the special rules laid down in the invitation-booklet.

Note that the wind speed was always within the acceptable limits in races events. Concerning the races, the names of the athletes followed by 2 asterisks are the winners in their heats or semi-finals.
